

THANK YOU

We didn't see any recyclables or garden waste in your general waste bin.

What **DOES** go in your general waste bin:

Food scraps

Polystyrene packaging and Styrofoam

Nappies

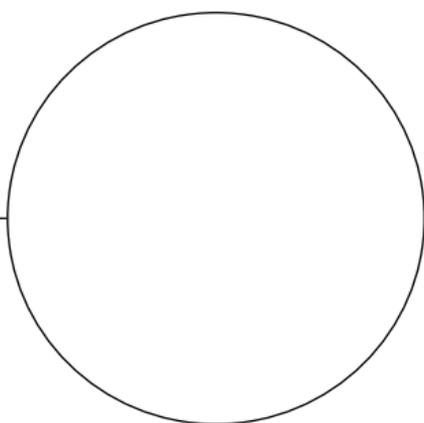

Unusable clothing and textiles

USING YOUR WASTE BIN RIGHT:

-  Saves water, energy and resources
-  Reduces harmful greenhouse gases
-  Is more cost effective

USING YOUR GENERAL WASTE BIN RIGHT

Your efforts help recycle valuable resources.

Ensure your bin lid is able to close.

Place your bins out the night before your bin collection day.

What **DOES NOT** go in your general waste bin:

NO garden waste (this goes in your garden organics bin)

NO recyclables (these go in the recycling bin)

NO e-waste (take to nearest recovery park)

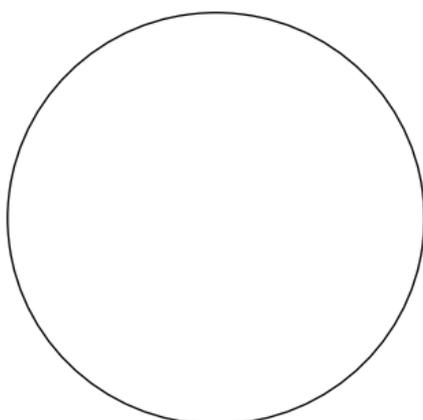

NO light globes or other household hazardous waste (take to nearest recovery park)

Good quality clothing and textiles can be donated at giv.org.au

WE ASK ONE SMALL FAVOUR

Some items are better recycled or placed in your garden organics bin so please do not place these items in the general waste bin.
